

CCTDC Visiting Friends and Relatives Campaign
Mobile Visitor Information Center - Event Request Form

The Mobile Visitor Information Center is an informational van that will travel to events throughout Oregon's Mt. Hood Territory promoting Clackamas County events, festivals and attractions. It is not possible to attend every event in Clackamas County in one year so the MVIC event schedule will change from year to year in order to eventually include all events. If the MVIC is unable to attend your event in 2007 you may be added to the 2008 schedule. Early requests will be considered on a first-served basis. The MVIC dimensions are 22ft long by 8ft wide with retractable awnings that add up to 7ft on both sides (awning widths are adjustable).

If you have any questions about the MVIC event request form please contact the van coordinator at MVIC@turtledove.com or 503-226-3581.

To request the MVIC at your event, complete the online form and click to submit your request, or print to complete this form and FAX it to 503-273-4277 attn: MVIC coordinator.
